

Where did this come from? Legends and Stories about Advent & Christmas

Project Objective: Research a symbol or tradition in Christmas lore and present its origins to the rest of the class using a powerpoint presentation.

Project Requirements:

1. Presentation must follow these guidelines:
 - a. Information must present the origins/legends surrounding the selected subject.
(If there is more than one origins/legend, you must include each one on a separate slide.)
 - b. Presentation must be 4-6 slides long and include the following:
 - i. 1 Title Slide
 - ii. 2-4 Body Slides
 - iii. 1 Works Cited Slide
 - c. Each slide must have at least one picture that relates to the subject. (Exception: works cited page.)
 - i. Pictures cannot be part of the background image.
 - d. A works cited of all sources (2 source minimum) must be documented at the end of your presentation.
 - i. Use proper MLA formatting to document your sources.
 - e. Information must be legible from the back of the room.
 - f. Transitions, sounds, and animations must not be a distraction to the presentation.

2. An oral presentation will be required from each student when they present their subject to the rest of the class along with their powerpoint.
 - a. A “slide handout” of your presentation must be submitted before your presentation.
(See Mr. Huelsman if you are having trouble doing this.)
 - b. Powerpoints must be saved onto a flashdrive and brought to school on the day of presentation.

3. Presentations will take place within the week of **December 14th**.
