Thanks for the great ABC books. One is better than the other. The kids have enjoyed sharing them with the class. They are so excited about their hard work. Thanks for all you did to make this a memorable project. I will return to you next school year.

A summer recommendation for everyone is purchasing the book *Summer Bridges Grade K-1*. The price is \$14.95 and well worth every penny. This is a workbook full of activities to work with your child over the summer. It is available at KSS in Hikes Point or you can access this website:

This a wonderful tool to review with your children during summer. I have purchased one every year for Star since Pre-K. Please consider it.

Our class will be having PET DAY on Monday, May 24 at 1:45. We'll meet by the front office doors. If you would like to bring in your family pet (caged or on leash) for show and tell, we'd love to meet them. I realize some families don't have pets, if your child would like to bring in a photo or stuffed animal of a pet they 'd like to have that would be great. If you can't make

it for PET DAY, your child can bring in a photo to share with the class. It is always a DOG GONE good time. See you then!

I hope by the time your reading this that you've had a chance to view the class DVD. It's a wonderful culmination of our Kindergarten year. Mrs. Lefevre spent countless hours creating this masterpiece for us all to enjoy. If you had difficulty watching your DVD, please let us know by the first of the week. We can try to burn you another. The colors, sounds and sights work best on TV or computer. Please take time to tell Mrs. Lefevre thanks for all her hard work. I try to remember each day to tell her how much I appreciate her. She is the best assistant that a person could ask for. Thanks to her for this treasure!!

Remember Friday is our Last School Day with dismissal at 11:00. I want to take this time to tell you how much I have thoroughly enjoyed teaching your child. This class is a

special one and I hate to see them go. You have been a dream bunch of parents. Very willing and enthusiastic about your child's education.

Remember this Kindergarten year, gets the ball rolling to a lifetime of learning. I feel it's been one of the best years of my 23 years teaching.

Thanks to you all. May God Bless You and keep you safe always. I do love your children with all

my  heart. Susan & Joanne
