

By Any Measure: A Road Map to Diagnosis, Treatment, and Recovery from Eating Disorders

A panel of physicians, psychologists, and nutritionists will discuss how to recognize and respond to warning signs of eating disorders: intervention, treatment and recovery options: and best practices for immediate and long-term treatment. Survivors of eating disorders will share their stories as well.

Tuesday, Jan. 17 – 6 to 8 pm
Marshall Women's Health & Education Center
Norton Medical Plaza III – Suburban, Suite 108
4121 Dutchmans Lane
