Dear Friends,

We couldn't have done it without you! Thank you so much for your work at Neighborhood House last month. Your gift of time and talent helped us to wrap gifts so we can provide holiday cheer to our members.

By supporting Neighborhood House, you are helping:

*...more than 85 preschoolers and children in our Child Development Center each day as they catch up developmentally and educationally with their peers so they can start school ready to succeed!*

*...more than 75 children each night who are assured a good meal so they don't go to bed hungry; help with their homework and educational opportunities; and a safe place to play with caring adults who will support their potential to do well in school and in the community!*

*...more than 40 senior adults who come to our Center each day for lunch, companionship and resources for their particular needs. Our programs truly make a difference in their quality of life.*

Thank you again for your support of Neighborhood House. We truly appreciate your commitment and hope you had a good time.

Sincerely,

*Abby Branstein*
