To Parents of Students at St. Gabriel:

Associates in Pediatric therapy is excited to be able to offer FREE Screenings at St. Gabriel this year. We are going to make sure that each child has the tools he or she needs for a truly successful school year. Associates in Pediatric Therapy will be offering speech therapy and occupational therapy at St. Gabriel. We will be doing FREE screenings in the area of speech and language as well as occupational therapy. Children will ONLY be screened if parent signs the below consent.

The screenings will take place at St. Gabriel September 10th and 11th. If your child presents with concerns during the screening you WILL receive a note, email or phone call from a licensed therapist with information regarding the area(s) in which your child presented with concerns.

If you have any questions, please feel free to contact us at the telephone number above.

Sincerely,

Angela Renea Sageser-CEO & M.S.-SLP-CCC
Associates in Pediatric Therapy, LLC
